The annual and special assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, and of the homes situated upon the Properties.

Section 3. Maximum Annual Assessment. Until January 1st of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment per lot shall be FOUR HUNDRED AND TWENTY DOLLARS (\$420.00)

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common area or replacement of damaged or destroyed common elements or dwellings where the owner or owners thereof have failed to replace or rebuild pursuant to Article XII herein, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of Ten Percent (10%) per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereon.

## ARTICLE V.

### ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VI.

PARTY WALLS

The rights and duties of the owners of any lots within this townhouse project with respect to party walls shall be governed by the following:

(a) Each wall, including patio walls, which is constructed as part of the original construction of the townhouse multi-family structure, any part of which is placed on the dividing line between separate townhouse units, shall constitute a party wall. With respect to any such wall, each of the adjoining owners shall assume the burdens and be entitled to the benefits of these restrictive covenants, and, to the extent not inconsistent herewith, the general rules of law regarding party walls shall be applied thereto.

(b) In the event any such party wall is damaged or destroyed through the act of one adjoining owner, or any of his guests, tenants, licensees, agents or members of his family (whether or not such act is negligent or otherwise culpable) so as to deprive the other adjoining owner of the full use and enjoyment of such wall, then, the first of such owners shall forthwith proceed to rebuild and repair the same to as good condition as formerly, without cost to the adjoining owner.

(c) In the event any such party wall is damaged or destroyed by some cause other than the act of one of the adjoining owners, his agents, tenants, licensees, guests or family (including ordinary wear and tear and deterioration from lapse of time), then, in such event, both such adjoining owners shall proceed forthwith to rebuild or repair the same to as good condition as formerly at their joint and equal expense.

(d) Notwithstanding any other provision of this Article, an owner who, by his negligent or wilful act, causes any party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(e) The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

(f) In addition to meeting the other requirements of these restrictive covenants and of any building code or similar regulations or ordinances, any owner proposing to modify, make additions to or rebuild his townhouse in any manner which requires the extension or other alteration of any party wall, shall first obtain the written consent of the adjoining owner.

(g) In the event of a dispute between owners with respect to the repair or rebuilding of a party wall or with respect to the sharing of the cost thereof, then, upon written request of one of such owners addressed to the Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association. If no such rules have been adopted, then the matter shall be submitted to three arbitrators, one chosen by each of the owners and the third by the two so chosen, or, if the arbitrators cannot agree as to the selection of the third arbitrator within five (5) days, then by any judge of the Superior Court of Yavapai County, Arizona. A determination of the matter signed by any two of the three

383 RV-2

arbitrators shall be binding upon the owners, who shall share the cost of arbitration equally. In the event one party fails to choose an arbitrator within ten (10) days after personal receipt of a request in writing for arbitration from the other party, then said other party shall have the right and power to choose both arbitrators.

(h) These covenants shall be binding upon the heirs and assigns of any owners, but no person shall be liable for any act or omission respecting any party wall except such as took place while an owner.

#### ARTICLE VII.

##### EXTERIOR MAINTENANCE

In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each lot which is subject to assessment hereunder, as follows: paint, repair, replacement and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, and other exterior improvements. Such exterior maintenances shall not include glass surfaces.

In the event that the need for maintenance or repair is caused through the willful or negligent act of the owner, his family, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such lot is subject.

#### ARTICLE VIII.

##### MAINTENANCE ON PRIVATE SEWER FACILITIES

In addition to maintenance upon the Common Area, the Association shall provide maintenance for the private sewers located upon the Common Area as follows: repair, replace and clean all sewer lines from point of origin to intersection with public facilities.

#### ARTICLE IX.

In addition to the maintenance upon the Common Area and the private sewers as set forth herein, the Association shall provide maintenance for the parkways owned by the City of Prescott located adjacent to the subject property as follows: to plant, seed, fertilize and maintain grass and shrubberies thereon and to maintain the same in conformity with the plans and specifications of the City of Prescott. Said maintenance shall be at the sole cost and expense of the Association. The above covenant is deemed to touch and concern the subject property and the same shall run with the land and shall not be subject to cancellation without the written approval of the City of Prescott.

#### ARTICLE X.

##### INTERIOR AND OTHER MAINTENANCE

Each owner shall be responsible for the upkeep and maintenance of the interior of his townhouse and for the upkeep and maintenance of individual patios, all other areas, features or parts of his townhouse and property not otherwise maintained by the Association. All fixtures and equipment installed within a townhouse unit, commencing at a point where the utility lines, pipes, wires, conduits or systems enter the exterior walls of a townhouse unit, shall be maintained and kept in repair by the owner thereof. Terminate control shall be the responsibility of the owner. An owner

383 RV-2

shall do no act nor any work that will impair any easement or hereditament, nor do any act nor allow any condition to exist which will adversely affect the other townhouse units or their owners.

ARTICLE XI.

PARKING RIGHTS

Ownership of each lot shall entitle the owner or owners thereof to the use of not more than One (1) automobile parking spaces, which shall be as near and convenient to said lots as reasonably possible, together with the right of ingress and egress in and upon said parking area. The Association shall assign the vehicle parking spaces to each townhouse.

ARTICLE XII.

DAMAGE OR DESTRUCTION OF PROPERTY

In the event any common element is damaged or destroyed by an owner or any of his guests, tenants, licensees, agents, or members of his family, such owner does hereby irrevocably authorize the Association to repair said damaged element, and the Association shall so repair said damaged element in good workmanlike manner in substantial conformance with the original plans and specifications. The owner shall then repay the Association in the amount actually expended for such repairs.

In the event any townhouse is damaged or destroyed by an owner or any of his guests, tenants, licensees, agents, or members of his family, such owner shall, within sixty (60) days from the date of the occurrence of the damage or destruction, enter into a binding bona fide contract for the repair and rebuilding of the exterior of said townhouse and any damage to the exterior of adjacent townhouses or property in a good workmanlike manner in conformance with the original plans and specifications used in the construction of said townhouse. In the event such owner refuses or fails to so repair and rebuild any and all such damage to the exterior of the townhouse and adjacent property within a reasonable time, not to exceed six (6) months from the date of the occurrence of the damage or destruction, the Association, by and through its Board of Directors, is hereby irrevocably authorized by such owner to repair and rebuild any such townhouse and/or adjacent property in a good workmanlike manner in conformance with the original plans and specifications of the townhouses. The owner shall then repay the Association in the amount actually expended for such repairs.

Each lot owner further agrees that these charges for repairs, if not paid within ten (10) days after completion of the work, shall be delinquent and shall become a lien upon said owner's lot and townhouse and shall continue to be such lien until fully paid. Said lien shall be subordinate to any first mortgage or encumbrance on the subject property. Said charges shall bear interest from the date of delinquency at the rate of Ten Percent (10%) per annum. The amount of principal and interest owed by said owner to the Association shall be a debt, and shall be collectible by any lawful procedure allowed by the laws of the State of Arizona.

Each such owner, by his acceptance of a deed to a lot and townhouse, hereby expressly vests in the Association or its agent the right and power to bring all actions against such owner for the collection of such charges and to enforce the aforesaid lien by all methods available for the enforcement of such liens and such owner hereby expressly grants to the Association a power of sale in connection with said lien.

383 RV-2

Nothing contained in this Article XII shall be construed in any way so as to relieve any insurance company from the payment of any and all amounts which would be payable under any policy or policies, had not this Article been inserted.

In the event of a dispute between an owner and the Board of Directors with respect to the cause of damage or the extent of repairs necessitated or with respect to the cost thereof, then, upon written request of the owner, addressed to the Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association or its Board of Directors. If no such rules have been adopted, then the matter shall be submitted to three arbitrators, one chosen by the Board of Directors, one chosen by the owner, and these two arbitrators shall then choose a third arbitrator. If the two arbitrators cannot agree as to the selection of the third arbitrator, then by any Judge of the Superior Court of Maricopa County, Arizona. A determination by any two of the three arbitrators shall be binding upon the owner and the Association, who shall share the cost of arbitration equally. In the event one party fails to choose an arbitrator within ten (10) days after personal receipt of a request in writing for arbitration from the other party, then said other party shall have the right and power to choose both arbitrators.

#### ARTICLE XIII.

##### USE RESTRICTIONS

Section 1. Said premises are hereby restricted to residential dwellings for residential use. All buildings or structures erected upon said premises shall be of new construction and no buildings or structures shall be moved from other locations onto said premises, and no subsequent buildings or structures other than townhouses, being residence joined together by party walls, shall be built on any parcel where the builder theretofore programmed and constructed a townhouse. No structures of a temporary character, trailer, basement, tent, shack, garage, barn or other out building shall be used on any portion of the premises at any time as a residence, either temporarily or permanently.

Section 2. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for the builder of a major portion of said development to maintain during the period of construction and sale of said townhouses, upon such portion of the premises as such builder may choose, such facilities as in the sole opinion of said builder may be reasonably required, convenient or incidental to the construction and sale of said townhouses, including, but without limitation, a business office, storage area, construction yards, signs, model units and sales office.

Further, no business activities of any kind whatsoever shall be conducted in any building or on any portion of the premises; provided further, however, the foregoing covenants shall not apply to the business activities, signs and billboards, or the construction and maintenance of buildings, if any, of the builder, its agents

and assigns during the construction and sale period, and of the Association, its successors and assigns, in the furtherance of its powers and purposes, as herein set forth,

#### ARTICLE XIV.

##### EASEMENTS

There is hereby created a blanket easement upon, across, over and under the Common Area for ingress, egress, installation, replacing, repairing and maintaining all utilities, including, but not limited to, water, sewers, gas, telephones, and electricity, and a master television antenna system. By virtue of this easement, it shall be expressly permissible for the providing electrical and/or telephone company to erect and maintain the necessary poles and other necessary equipment on said property and to affix and maintain electrical and/or telephone wires, circuits and conduits on, above, across and under the roofs and exterior walls of said townhouses. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on said premises, except as initially programmed and approved by the major builder of said premises. This easement shall in no way affect any other recorded easements on said premises.

The Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by an owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.
